Ministry Update

Summer has flown by, and it is time to send you an update.

We spent the first half of 2023 in Honduras. This time around, we were given a new challenge and focus. The directors, Jeff and Rosanne, requested that we take on a more pastoral ministry at Loma de Luz, focusing on the missionaries and hospital staff. We took on this challenge whole-heartedly beginning by hosting each one in our home. We loved learning more about those we are working with and we believe there is nothing more important than personal contact to build bridges and relationships.

Our time in Honduras is always so rewarding and full. Roger took on a new role in assisting the hospital chaplain in praying individually for the bedside patients following the morning devotion. His time was split between the hospital in the morning and teaching classes at the school in the afternoon. Myla continued to work on the *Administration Sustainability Project* and continues to support this project while Stateside. As a highlight this year, an updated Intranet site was launched in June. This is now the new platform for policies, procedures, schedules, resources and information pertaining to the entire Loma de Luz (LdL) Ministry.

El Camino Bilingual School

Ignite Youth Conference

Roger's class

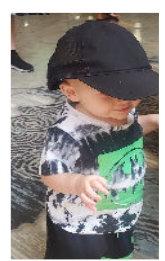

Design Project

Graduation

Roger is teaching technology and design in the Middle School and High School. The culmination of the semester was the students building their design projects. We were also encouraged by the students' participation in the *Ignite Youth Conference* and their desire and ingenuity with ideas on how to serve their community with a food and clothing drive as well as organizing ongoing community events.

Family News

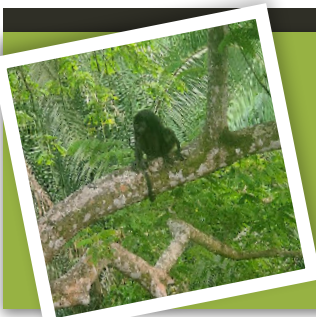

We have had many opportunities to get together with each of our families, a wedding, holidays and of course the weekends! We are so thankful for family time.

We saw our grandson in July when they visited us from Arizona. We are missing our youngest in Washington, who we plan to visit in August.

Roger and Myla celebrated 38 years together

We live right on the edge of the jungle and have frequent wildlife visitors. The Howler monkeys are the loudest and most fun to watch. The National Bird is the Toucan and their colors are so vibrant and beautiful!

We are rejoicing in how the Lord sustains us throughout the year! Your prayers, partnership and support bless our lives and encourage us as we serve in Honduras. We are thankful we have you on our team! We would love to hear from you and to know how we could pray for you!

Volunteer Opportunities

Have you ever felt the calling to serve overseas? The Cornerstone Foundation: Hospital Loma de Luz and El Camino Bilingual School are looking for some talented people with medical, teaching, administration, carpentry and construction skills. Check out the website <https://www.crstone.org/> and see where you could fit in! Individuals, couples, families and teams are welcome. *Romans 8:28: And we know that all things work together for good to those who love God, to those who are the called according to His purpose.*

Have a look and come join us in Honduras!
Roger & Myla Sue

Support Contacts

Thank you for partnering with us and being an integral part of this ministry.
