Our Leaders are Ready to Go For Jesus

Our leaders have proven themselves to be faithful evangelists. Now we can make their job easier by providing them with bicycles a simple, yet effective, solution for traveling across the refugee camp to spread the Gospel and plant churches! You have helped us purchase five bikes already and now we need five more at \$250 each. If you would like to donate, please follow the directions below with the memo "bicycles".

Project: Home Sweet Home

Bosco is one of our faithful leaders. In 2016 he was a soldier and a spy for the rebel army in South Sudan. When he brought his family to the refugee camp for safety in Uganda, he met Pastor Isaac and soon after he gave his life to Jesus! If you ask him today about his life as a soldier he will simply say that he is in the army of the Lord.

Bosco is committed to evangelizing and discipling teenagers at the two massive high schools within the refugee camp. Imvepi refugee camp is made up of nearly 70,000 people; 80% of those are women, children and teenagers. The need to reach the youth cannot be overstated. To be effective at traveling to the far reaches of the camp, Bosco needs a motorcycle. We are going to provide it for him. The basic cost is \$1,600, and there will be a few additional fees for taxes and transport. If you would like to donate towards Bosco's "Gospel Go!" motorcycle you can follow the directions below with the memo "Gospel Go!". Thank you!
