Blessed and Honored

We are praising God! Both Karl and I want to personally thank each and every one of you for all the prayers and support that went up to God on our behalf. Karl is now home from the hospital and doing well.

God has made it clear to us that He is not ready for us to give up mission work in Honduras. Although Karl will be unable to return in January due to a compromised immune system, it is with his support and encouragement that it is possible for me (Cindy) to return in January (depending on his recovery). As Karl's immune system grows stronger, he plans to return late July or August.

Our needs at this time include continued prayers for health for Karl as well as funds to return to Honduras. We are looking for 12 people to partner with us and commit to \$35.00 a month to meet our budget for Honduras. Would you prayerfully consider giving either monthly or a single gift to make this possible?

We feel blessed and honored to be able to continue the work that God has called us to do with the poor in Honduras.
