

Fall/Winter 2024

Bodarys

Missionaries to Honduras

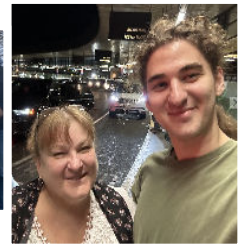

Returning to Honduras January 2025

Honduras flooding

We have had a precious time in the US with our family the second half of the year and we will soon be returning to Honduras to serve at Hospital Loma de Luz and El Camino Bilingual School. This will be our 5th year in Honduras, and we are looking forward to rejoining the ministry and being a part of what God will do this year!

The November tropical storm/hurricane Sara wreaked havoc on the area where we serve. The staff and volunteers are all safe for which we thank God. The waters are now receding and the clean-up has begun. Many are still waiting for electricity and water to be restored. The local community in Balfate was devastatingly affected, so please remember them in prayer as they put their lives and homes back together.

Michigan Memories

Our time in the US has been filled with travel and personal connections. We were blessed to visit many of our ministry partners and friends along the way to Kentucky, where we spent time with the Cornerstone International family. We are thankful for family, friends, and prayer warriors!

Roger has continued his Zoom Bible school/Bible study classes with a group in Colombia and India. God has been so faithful to add connections to study the Word of God. Myla has been working 'remotely' one day a week supporting the Cornerstone ministry in Honduras. The hospital continues to need missionaries to serve in all departments, so please pray that God would stir hearts of those who want an adventure in foreign missions. Check out <https://crstone.org/> to learn more.

Roger traveled to Georgia to visit his brother and has gotten a few rounds of golf in with his friends this summer. For the first time in three years, Bodary siblings all met in western Michigan.

Myla has been a part of a women's Bible study and treasures the time with friends. She traveled to Arizona and Washington to visit the kids and our grandson. She and her sisters took their annual color tour trip in Michigan as well as a trip to visit family in Illinois. The Muzzy Family had a 'Summer Camping Weekend' which left us all soaking wet from endless rain! The highlight this autumn was having our daughter and grandson together with the family in Michigan for a fall color tour. Special times! Praying that we can have all the kids home for Christmas! <><

Home Improvement

This year Roger took on a challenging and much needed project of upgrading our 100-year-old farmhouse. He installed new windows, siding, and wiring. The project kept expanding as he discovered hidden complications that led to more repairs. He is close to finishing the project as we prepare to leave for Honduras.

Christ Life Fellowship

We will be traveling to Dallas, Texas in December to minister and fellowship with the Christ-Life Fellowship groups. It is a ministry we have been closely involved with since our first ministry trip as missionaries to the Philippines over 40 years ago.

**“Declare His glory among the Nations,
His marvelous works
among all the peoples”
Psalm 96:3**

**Wishing Everyone a Very Merry Christmas
and Happy New Year 2025!**

Support:

To stand with us financially, you can give online at: cornerstoneinternational.org/bodary or, to give by check, make payable to Cornerstone International and designate ‘Bodarys’ in the memo.

Mail checks in enclosed envelope to PO Box 192 Wilmore, KY 40390.

Fall Mission Trip To Honduras

Roger and a dear friend, Pastor Don Carpenter from Canada, went to Honduras in early September for a ten-day pastor leadership ministry in the Trujillo area of Honduras. New opportunities have opened up to them for future ministry visits in 2025.

New Open Doors to Uruguay 2025

The Lord has opened some new doors for us to travel to Uruguay in May. We will be helping at Christ Church in Montevideo. The missionary who has been working there for many years will be going on furlough and we will step in. We are excited about this new ministry.

**With love and holiday
greetings!
Roger and Myla**

Contact:

Thank you for partnering with us and being an integral part of this ministry. We are always excited to hear from you!
